

# Associate (m/f/d)

## in Corporate Finance Advisory (M&A/Financing)

### About us

We are an independent corporate finance advisory firm headquartered in Berlin. With a focus on the mid-market, we offer integrated advice on international M&A and financing transactions as well as consulting projects. The sweet spot are transactions between EUR 10 and 250 million of transaction volume with a strong track record in automotive, technology, software, mechanical engineering, industrials, packaging, business services and healthcare. Our team of 15 combines complementary experience in the areas of M&A, financing and private equity.

### Your tasks

Execution of M&A and financing transactions as well as support of marketing activities with a focus on the following areas:

- Development, management and leadership of our junior team
- Preparation of comprehensive company and market research
- Preparation of marketing and project information as well top-notch marketing and transaction documents (pitch books, IMs, presentations)
- Preparation of extensive integrated financial models
- Active participation in transaction processes (e.g. project management, due diligence)

### Your profile

- Excellent university degree with a focus on finance
- Minimum of 3 years relevant experience in a bank or established corporate finance advisory boutique with strong track record in M&A (not DD / transaction services) and/or debt advisory (corporate debt, leveraged finance & structured finance)
- German native (or equivalent) language skills plus English are a must – additional languages nice-to-have
- Outstanding analytical skills, strong modelling skills and ability to manage and develop junior team in financial analysis tasks
- Independent and entrepreneurial mind set and way of working
- Team spirit, motivation and creativity as well as desire to integrate into small team

### What to expect from us

- Excellent team with outstanding reputation and long-time experience at leading banks and corporate finance advisory boutiques
- Strong midmarket track record and network
- High degree of flexibility and freedom in a dynamic company
- Broad range of tasks and projects in diverse industries
- Clear path towards career goals, appealing compensation and strong bonus potential based on individual performance
